ENERGY
COUNCIL

08:00am – 09:45am

Registration and Networking Breakfast

09:45am Welcome Address

Mamadou Fall Kane, Deputy Permanent Secretary, **COS-PETROGAZ**

10:00am Updates On The Region's Main Project Developments & Local Content in Practice

Project Panel: Sangomar Field Development (30 mins)

Speaker to be confirmed, **Woodside Energy**

Project Panel: Greater Tortue Ahmeyim LNG Development (30 mins)

Speaker to be confirmed, **bp**

Speaker to be confirmed, **Saipem**

11:00am – 11:45am

Networking Coffee Break

As we endeavour to increase the visibility of in-region suppliers and service providers ready to get involved in ongoing and upcoming projects, meet the Local Content Forum Co-Hosts and Presence Pod Exhibitors over coffee

11:45am Assessing the Impact of Covid-19 on Local Content Initiatives

Invited Speakers:

Khady D. Ndiaye, Vice President - Regional Director and Senegal Country Manager, **Kosmos Energy**

12:30pm Updates on Recent Local Content Legislation & Regulation, Actions Taken &

Opportunities Created

- What key changes to the Petroleum Code does the new legislation outline and how will this impact local content in Senegal?
- Although more far-reaching than the previous regime, the Local Content Law leaves much of the detail of these requirements to be set out in subsequent regulations; what are the timeframes for this?
- As we move into the production phase of the Sangomar and GTA projects in Senegal, what will the impact of the local content code be and how might businesses, both international and local, be affected?

Invited Speakers:

Ahmed Senhoury, Executive Director, **PRCM**

Hassana Mberick, Founder & Director, **Meen & Meen**

Speaker to be confirmed, **Herbert Smith Freehills (moderator)**

13:15pm – 14:15pm

Networking Lunch

As we endeavour to increase the visibility of in-region suppliers and service providers ready to get involved in ongoing and upcoming projects, meet the Local Content Forum Co-Hosts and Presence Pod Exhibitors over lunch

14:15pm Case Study: Local Content in Action – Lessons from the Basin and Beyond

- Uncover successful initiatives of local content implementation in the region as well as in other countries to explore lessons learnt from previous experiences

Speaker to be Confirmed, **bp**

14:45pm Preparing for the Next Chapter: From Development to Production - Keeping on Top Of Developing Local Capacity and Filling the Gaps

- Sourcing the manpower: Discuss whether the current local workforce can cater to the next chapter of project development, and find out how to bridge any existing gaps
- Uncover how local training institutions/organisations are preparing for the next stage of development and examine what needs to be prioritised in terms of investment in capacity and infrastructure?
- Regional funding capacity: The key role of project financing and investments
- Detail what this new phase of development looks like and what the related shift in the operators' and contractors' roles mean with regards to local content
- As projects move forward and contractors start playing a bigger role on the ground, discuss how these companies plan to better implement local content initiatives
- Add the role of women

Invited Speakers:

Aissatou Cissoko Niase, Founder & CEO, **Senegal Oil & Gas Academy**

Aghibou Ba, Director General, **The Institut National du Petrole et du Gaz (INPG)**

Jean-Noel Bittar, CEO, **Sodial**

Efua Odunton, Vice President, **Actemium**

Speaker to be confirmed, **Technip Energies**

Philippe Bacoumba Faye, Chef de l'Unite, **GES-PETROGAZ**

Iba Fall, Country Director, **Invest in Africa**

15:45pm – 16:15pm

Afternoon Networking Break

As we endeavour to increase the visibility of in-region suppliers and service providers ready to get involved in ongoing and upcoming projects, meet the Local Content Forum Co-Hosts and Presence Pod Exhibitors over coffee

16:15pm Case Study: Local Content in Action – Lessons from the Basin and Beyond

- Uncover successful initiatives of local content implementation in the region as well as in other countries to explore lessons learnt from previous experiences

16:45pm Ambassadors’ Panel; International Support for In-Country Investment: Capacity Building & Local Initiatives

Quick-fire round with international embassies highlighting how their country is supporting the development of in-country capacity building, and where they see the biggest opportunities region

NETWORKING AREA	MAIN STAGE
<p>17:30 – 19:30pm Networking Drinks</p> <p>➤As we endeavour to increase the visibility of in-region suppliers and service providers ready to get involved in ongoing and upcoming projects, meet the Local Content Forum Co-Hosts and Presence Pod Exhibitors over drinks</p>	<p>17:30pm – 18:30pm Town Hall Session - Exploring How Local Businesses Can Plug into the Oil & Gas Value Chain</p> <p><i>Invited Speakers:</i> Jean-Noel Bittar, CEO, Sodial Rabih Layousse, CEO, Topwork Senegal Speaker to be confirmed, Sentrak Logistics</p> <p><i>In this interactive “Town Hall” discussion, local businesses will have the opportunity to ask a panel of companies their questions. To a question to the panel, please email it to laurent.lafont@energycouncil.com</i></p>

Local Content Co-Host Sponsors

Day Two – 10th May

08:00am – 09:00am

Registration and Networking Breakfast

Our customised online networking service takes the guesswork out of meeting the people you really want to meet through a pre-arranged schedule of 1-2-1 meetings. Contact us to tailor your networking experience.

09:00am Views From The Top: Opening Ministerial & Regulator Addresses

Invited Speakers:

H. E. Ousmane Ndiaye, Permanent Secretary, **COS-PETROGAZ**

H. E. Sophie Gladima, Minister of Petroleum and Energy, **Republic of Senegal**

H. E. Abdel Salam Ould Mohamed Saleh, Minister of Petroleum, Mines and Energy, **Islamic Republic of Mauritania**

H. E. Fafa J Sanyang, Minister for Petroleum & Energy, **Republic of The Gambia**

H.E. Jorge Malu, Minister of Natural Resources and Energy, **Republic of Guinea Bissau**

H. E. Diakaria Koulibaly, Minister of Hydrocarbons, **Republic of Guinea**

10:00am – 11:00am

Morning Networking Break and Ministerial Tour of the Exhibition

11:00am Industry Updates: The Region's Main Operators Share Their Strategy and Ambitions for 2022 and Beyond

**Greater Tortue Ahmeyim
LNG Development**

Sangomar Field Development

**Exploration Updates in Senegal
& Mauritania**

12:00pm PETROSEN Update: Regional Collaboration, the Development of a Gas Mega Hub and Investment Opportunities in Country

Invited Speaker:

Joseph Medou, Director General, **Petrosen**

12:15pm NOC Panel Discussion

Exploring Opportunities for Increased Collaboration Between MSGBC Countries & Visions for the Future of E&P in the Basin in the Wider Global Landscape

- The MSGBC basin as an E&P Hub: What opportunities exist for further regional collaboration to establish a strong West African hub for industry knowledge, skills and supply chain development?
- How do the NOCs see the region's supply chain evolving, what are their main concerns and where do they see the biggest opportunities for growth and investment?
- Perceptions on the role of the NOC in-country: As the world faces the ongoing repercussions of Covid-19, what role should NOCs play in steering exploration and production activity and supporting the local value chain?

Invited Speakers:

Mamadou Faye, Managing Director, **PETROSEN**

Tourad Abdel Baghi, Director General **SMH**

Yaya F. Barrow, Managing Director, **GNPC**

Famourou Kourouma, Director General, **SONAP**

Speaker to be confirmed, **Petroguin**

Amina Benkhadra, General Director, **ONHYM**

Speaker to be Confirmed, **Agence De Gestion Et De Cooperation Entre La Guinee-Bissau Et Le Senegal**

Christophe Sarri, Chief Commercial Officer, **Doris Group** (moderator)

13:15pm – 14:30pm

Networking Lunch

Official Lunch Host:

Our customised online networking service takes the guesswork out of meeting the people you really want to meet through a pre-arranged schedule of 1-2-1 meetings. Contact us to tailor your networking experience.

14:30pm NEW ENERGIES: Exploring How Senegal Has Catalysed Renewable Investment In Order To Improve Energy Security, Reduce The Cost of Power and Expand Rural Electrification

- How photovoltaic and wind energy projects are making a significant contribution towards diversifying the energy mix in Senegal
- The role of new energies in ensuring a viable power generation solution and stimulating regional renewable developments
- The role of investors and the attracting foreign investment into renewable projects
- Understanding the renewable energy plans across each of the MSGBC basin countries

Invited Speakers:

Pape Mademba Biteye, CEO, **SENELEC**

Karim NDIAYE, President, **COPERES**

Elisee Sezan, CEO, **GE Gas Power Sub Saharan Africa**

Moustapha Thiam, General Manager, **Lekela**

Sadio Wade, Investment, **Actis**

Alain Ebobissé, Director General, **Africa 50**

Alpha Sy, Managing Director, **Sy Investments** (*moderator*)

15:15pm – 16:15pm

Stage 1: UPSTREAM DEVELOPMENT	Stage 2: THE FUTURE OF GAS AND POWER
<p><i>Presentation (20 mins)</i> Exploring the Science; What Seismic & Geophysical Data Say About the Future of the Basin</p> <ul style="list-style-type: none"> ➤ Benefit from a technical presentation outlining the region’s most exciting new plays that demonstrate the value of investing and exploring in the basin <p>Speaker to be Confirmed, TGS</p> <p><i>Panel (40mins)</i> Update On 2022’s Exploration Activities</p> <ul style="list-style-type: none"> ➤ How has covid and a capex constrained environment impacted exploration plans? ➤ Improving exploration costs and efficiency, stimulating exploration activities <p>Invited speakers: Speaker to be confirmed, Total Energies Knut Sovold, CEO, PetroNor EP Speaker to be confirmed, Shell Speaker to be confirmed, OP AGC Central (OPAL) Speaker to be confirmed, AGC Cany Jobe, Director of Exploration and Production, GNPC</p>	<p><i>Presentation 1 (15mins)</i> Building An Efficient Gas Value Chain in West Africa Speaker to be confirmed, Aggreko</p> <p><i>Presentation 2 (15mins)</i> The Opportunity of Gas To Power in Senegal <i>Reserved for Speaker</i></p> <p><i>Presentation 3 (15mins)</i> A Phased Approach To Delivering the Gas To Power Infrastructure Needed <i>Reserved for Speaker</i></p>

16:15pm – 16:45pm

Afternoon Networking Break

Our customised online networking service takes the guesswork out of meeting the people you really want to meet through a pre-arranged schedule of 1-2-1 meetings. Contact us to tailor your networking experience

16:45pm – 17:30pm

Stage 1: UPSTREAM DEVELOPMENT	Stage 2: NEW ENERGIES
<p><i>Panel (45 mins)</i> The Next Steps for Finance and Investment into the MSGBC Basin</p> <p>Boileau Loko, Representative in Senegal and Mission Chief for Western African Economic and Monetary Union, IMF Dr Elih Pierre Djaigbe, Principal Energy Officer, African Development Bank Vera Songwe, Country Director, The World Bank Demba Diallo, CEO, FONSIS Mimi Diaby, Head of Oil, Gas, Mining Corporate Coverage, Societe Generale</p>	<p><i>Case Studies</i> Renewable Case Studies From Across The Region</p> <p>Case Study 1: MIAF & Engie’s Solar Projects under the IFC’s Scaling Solar Initiative</p> <p>Case Study 2: Actis and Lekela’s Taiba N’Diaye Wind Project Sadio Wade, Investment Professional, Actis Alioune Ba, CFO, Lekela</p> <p>Case Study 3: Storage and Battery Technologies Update with Senelec, Millenium Challenge Corporation and Power Africa Kye Kim, Deputy VP/ Head of Africa Region, Millenium Challenge Corporation</p> <p>Case Study 4: Highlighting the Renewable Energy Potentials in The Gambia (REPGam) Dr. Christoph Rovekamp, Representative, German Federal Ministry of Education and Research</p>

17:30 – 18:30

Evening Networking Drinks Reception

Our customised online networking service takes the guesswork out of meeting the people you really want to meet through a pre-arranged schedule of 1-2-1 meetings. Contact us to tailor your networking experience

18:30 – 21:30

Gala Dinner

Day Three – 11th May 2022

08:30am – 09:00am

Registration and Networking Breakfast

09:00am – 10:30am

Stage 1: UPSTREAM & ENERGY DEVELOPMENT	Stage 2: PROJECT DELIVERY & OPERATIONAL APPROACHES
<p><i>Presentation (15 mins)</i> Speaker to be Confirmed, Control Risks</p> <p><i>Panel (60 mins)</i> The Evolving Role of E&P Players and the Energy Transition During Covid and Today's Current Geo-Political Situation</p> <ul style="list-style-type: none"> ➤ With gas's reputation growing as a flexible and low-carbon fuel, and the MSGBC region boasting some of the continent's most exciting gas plays, could the basin become a role model in Africa? ➤ What do recent announcements about de-carbonisation, portfolio diversification & emission reduction mean for the basin's main players? ➤ What does a renewed focus on discovered resource opportunities and lower risk projects mean for unexplored parts of the MSGBC Basin? <p><i>Confirmed Speakers:</i> Speaker to be Confirmed, Kosmos Energy Speaker to be confirmed, TotalEnergies</p> <p><i>Presentation (15 mins)</i> The Republic of Guinea: Shelf Edge Plays meet Syn-Transform Structures Speaker to be confirmed, PGS</p>	<p>Opening Panel (30 mins) Unlocking Cost Reduction Whilst Enhancing The Returns Of Future Phases</p> <p>Presentation 1 (15 mins) Speaker to be confirmed, bp</p> <p>Presentation 2 (15 mins)</p> <p>Presentation 3 (15 mins)</p> <p>Presentation 4 (15 mins) <i>Reserved for Speaker</i></p>

10:30am – 12:00pm

Country Roundtables

Join a country-focused roundtable along with fellow attendees, including government executives and NOCs to discuss in more detail the challenges and opportunities found in each of the MSGBC countries. Gain further insights on each country's industry developments and future plans.

Mauritania 	Senegal 	The Gambia 	Guinea Bissau 	Republic of Guinea 
<i>Led by: SMHPM</i>	<i>Led by: PETROSEN</i>	<i>Led by: GNPC</i>	<i>Led by: Petroguin</i>	<i>Led by: ONAP</i>

12:00pm – 13:00pm

Networking Lunch

Our customised online networking service takes the guesswork out of meeting the people you really want to meet through a pre-arranged schedule of 1-2-1 meetings. Contact us to tailor your networking experience

13:00pm – 14:00pm

Stage 1: UPSTREAM & ENERGY DEVELOPMENT	Stage 2: PROJECT DELIVERY & INFRASTRUCTURE UPGRADES
<p><i>Presentation (20 mins)</i> Speaker to be confirmed, Technip Energies</p> <p><i>Panel (45 mins)</i> LNG, Gas-to-Power or Domestic Commercialisation – What Path for Produced Hydrocarbons as we Move into Development and Production?</p> <ul style="list-style-type: none"> ➤ The path to monetisation: What is the current plan for the gas produced in the region? How will it affect the domestic energy mix? ➤ Outline the region’s current and future domestic energy needs and evaluate how current projects will feed into these ➤ While international exports have long been lenders’ preferred method of commercialisation, discuss whether the region’s strong domestic needs and growing infrastructure could offer the same guarantees to de-risk financing and monetise future investments <p>Invited Speakers: Karl Frederik Staubo, Chief Executive Officer, Golar LNG Speaker to be confirmed, Power Africa Speaker to be confirmed, Aggreko</p>	<p><i>Presentation 1 (20mins)</i> <i>Reserved for Speaker</i></p> <p><i>Presentation 2 (20mins)</i> <i>Reserved for Speaker</i></p> <p><i>Presentation 3 (20mins)</i> SAR Capacity Upgrade Project: The Ambitious Extension Plan That Will Meet Local Demand Requirements</p> <ul style="list-style-type: none"> ➤ How SAR plan to increase its gasoil and liquefied petroleum gas processing capacity by 15% to 20% ➤ How to lift technical constraints which limit the performance of production equipment <p><i>Invited Speaker :</i> Marième Ndoye Decraene, Director General, Société Africaine de Raffinage (SAR)</p>

14:00pm – 15:00pm

Stage 1: UPSTREAM & ENERGY DEVELOPMENT	Stage 2: PROJECT DELIVERY & HSE
<p><i>Presentation (15 mins)</i> <i>Reserved for Speaker</i></p> <p><i>Panel (45 minutes)</i> Understanding ESG: Incentives & Deterrents and The Impact on New and Ongoing Projects</p> <ul style="list-style-type: none"> ➤ Balancing clean energy with energy security: With a growing onus on businesses to be held accountable against clear ESG strategies; what do these 3 letters mean for the African continent <p><i>Confirmed Speakers:</i> Ahmed Senhoury, Executive Director, PRCM Speaker to be Confirmed, Kosmos Energy</p>	<p><i>Presentation 1 (20mins)</i> Global Gas Flaring Reduction Program Martin Oswald, Senior Gas Specialist, World Bank</p> <p><i>Presentation 2 (20mins)</i> <i>Reserved for Speaker</i></p> <p><i>Presentation 3 (20mins)</i> <i>Reserved for Speaker</i></p>

15:00pm – 16:00pm

Closing Panel and Summit Summary
